Roger,

Since we have not heard back and require production of the documents referenced below, please let us know a good date/time for us to conference pursuant to LR 37.1/7.1 in advance of filing a motion to compel the same. [Of course, it's our preference that you produce the documents forthwith in lieu of us pursuing a MTC.] We are available tomorrow if that also works for you.

Thanks,
Christine

Subject: Joseph Mantha v. QuoteWizard.com, LLC

Roger,

We understand following Plural's deposition in this case today that Plural will be supplementing its subpoena response to produce:

1. Documents and communications by and between Fenix Media Solutions and Plural concerning Mantha's lead
2. Plural's contract with Fenix
3. Documents and communications between Plural and RevPoint concerning Mantha's lead

These documents are imperative to this case. In light of the fact that Adam Brown's deposition is scheduled for the morning of the 30th, we are requesting that these documents be shared with the persons on this email no later than COB tomorrow.

Thank you,
Christine
